ONLINE ACTIVITY #1

GitHub Account

Please create your GitHub account and create a GitHub Pages for your profile.

Use this guide:

<https://docs.github.com/en/pages/quickstart>

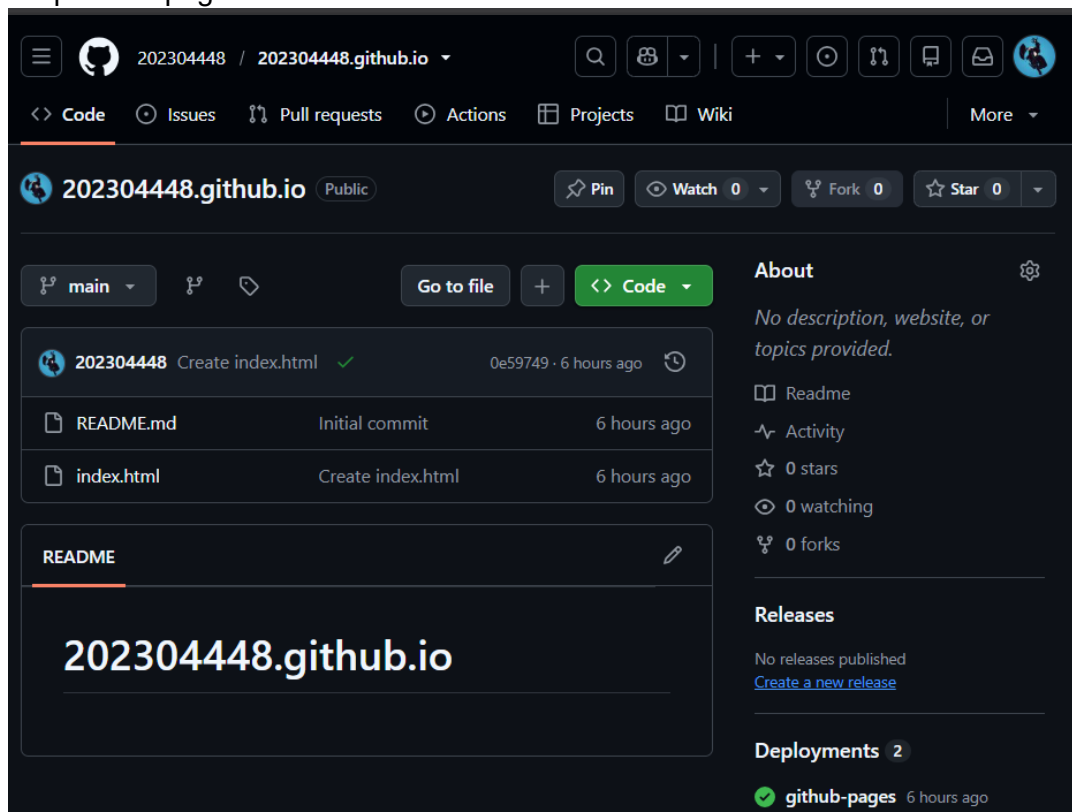

I recommend using your CvSU email, if it is still available, and use your student number as your username.

Ex.

Username

- 202xxxxxx
GitHub Pages
- 202xxxxxx.github.io

Submit the link to your GitHub account, no need to polish the GitHub pages for now. A very simple html page will suffice.
